

CHEMISTRY

Content Area Degree Planning Guidelines

A minimum of 30 semester credits in **Chemistry**, the equivalent of a major, is required. A minimum grade point average of 3.0 overall and in **Chemistry** is expected of all applicants. As part of your planning process for the Master of Arts in Teaching Program, please complete this form with your advisor. The courses listed below are examples of the kinds of courses that would fulfill the 30 semester credit hours in your content area. These courses or their equivalents should be a minimum of 3 credits each unless otherwise noted. These courses or their equivalents should be a minimum of 3 credits each unless otherwise noted. A minimum of 6 of the 30 credits should be completed at or above the 300 level. Lab coursework must be transferred, or completed through cross-registration, at another institution.

Required Chemistry Courses (30 credits)	Your Equivalent – Include Course Title and Description	Grade	Completion Date	Institution	# of Credits
General Chemistry with Lab (4 cr.)					
Organic Chemistry with Lab (4 cr.)					
Quantitative Analysis or Analytical Chemistry (3 cr.)					
Physical Chemistry (3 cr.)					
Biochemistry (3 cr.)					
Inorganic Chemistry (3 cr.)					
Instrumental Analysis (3 cr.)					
Other Chemistry courses (7 cr.) Examples: Matter and atomic structure Energy Chemical bonds and molecular structure Chemical reactions
