Degree Program Total 124

Notes

Students who have completed the following and present the necessary documentation, may incorporate the recommended credits into their bachelor’s degree program.

- Advanced Cardiac Life Support (ACLS) – 2 credits
- Pediatric Advanced Life Support (PALS) – 2 credits

SUNY Empire requires B.S. degree students to complete a minimum of 62 liberal arts and sciences credits.

To satisfy SUNY General Education requirements, every SUNY Empire bachelor’s degree program must include at least 30 credits in seven of ten general education knowledge and skill areas, as well as the areas of Mathematics and Basic Communication. The ten areas include:

- | | |
|-----------------------|---------------------------|
| Mathematics | Other World Civilizations |
| Natural Sciences | Humanities |
| Social Sciences | The Arts |
| American History | Foreign Languages |
| Western Civilizations | Basic Communications |
