Total SUNY Empire Graduate Credits 30

At SUNY Empire, a B.A. degree requires a total of 124 credits, of which at least 45 credits must be advanced level (3000 level and above), at least 94 credits must be liberal, and at least 24 advanced level credits must be completed in the major (Labor Studies). There is a 31 credit residency requirement, and all bachelor's degrees must also have at least 30 General Education (Gen Ed) credits across 7 of 10 General Education categories. The above sample presents a well-rounded, Labor Studies B.A. degree plan option.

The Work and Labor Policy program is a 30-credit hour master's degree. Students can create an individualized concentration (general) through chosen electives (5) or a concentration in Work and Labor Policy or Workforce Development. The program emphasis is on current problems and policies generated by changes in the global economy, technology, the workforce and the workplace. It also provides a background in American labor relations, labor history, labor law and collective bargaining. Many students choose to incorporate one of the [advanced certificates](#) into their master's degree as their focus area.
