<b>Total Empire State College credits</b>	<b>45</b>
<b>Degree Program Total</b>	<b>124</b>

<sup>1</sup> Any of these 15 credits not completed at Westchester Community College will be completed at Empire State College. Students should seek advisement from an SUNY Empire advisor in advance of selecting which courses to take to ensure they will fit into the baccalaureate degree plan.

## **Notes**

Students who have completed the following and present the necessary documentation, may incorporate the recommended credits into their bachelor's degree program.

- Advanced Cardiac Life Support (ACLS) – 2 credits
- Pediatric Advanced Life Support (PALS) – 2 credits

SUNY Empire requires B.S. degree students to complete a minimum of 62 liberal arts and sciences credits.

To satisfy SUNY General Education requirements, every SUNY Empire bachelor's degree program must include at least 30 credits in seven of ten general education knowledge and skill areas, as well as the areas of Mathematics and Basic Communication. The ten areas include:

Mathematics	Other World Civilizations
Natural Sciences	Humanities
Social Sciences	The Arts
American History	Foreign Languages
Western Civilizations	Basic Communications

## **Benefits for Westchester Community College Transfer Students**

Empire State College will provide the following benefits for participating WCC students:

- Guaranteed admission to a bachelor's degree program
- Provision of a \$100 *Better Together* transfer scholarship
- Waiver of the \$50 admission / orientation fee
- Waiver of the admissions application essay

WCC students will need to use a special transfer benefits code during the admissions application process. To get the code prior to applying, please contact the WCC Transfer Services Center or:
