

OFFICE OF ACADEMIC AFFAIRS

Deadline Extended - OAA Strategic Plan Survey

On Monday, April 10, OAA held its Strategic Planning Phase II Town Hall. During that Town Hall, Provost and Executive Vice President for Academic Affairs Nathan Gonyea outlined the next steps in the strategic planning process and asked for input to help formulate our goals. Slides from that event are available for viewing [here](#).

The Office of Academic Affairs would like to ensure that everyone in academic affairs has the opportunity to give their input to help formulate our objectives for strategic planning goals. With that in mind, the deadline to respond to the [OAA Strategic Plan Survey](#) has been extended to **10 a.m. on Monday, April 24**.

The survey is anonymous and designed in a manner that will not collect any personally identifiable respondent data, other than what is volunteered by respondents by virtue of answering the survey. Data collected from the survey will be reviewed by the OAA Strategic Planning Committee and will be the basis for drafting potential objectives and goals.

Provide us with your input by taking the OAA Strategic Planning Survey
